

Distinguished Members Award

February 20, 2011

The Atlanta Swing Dancers Club has reached a point in its maturity where it has proven itself as a sustainable club that will continue to expand and grow. It has been due to the extraordinary spirit, enthusiasm, devotion, and honor of those that are considered the Esprit de Corps, and bedrock foundation of this club who deserve special recognition and respect.

Tonight, recognition is being given to those that have contributed beyond expectations and molded our club into one that will be recognized in the future as one of the best West Coast Swing Clubs in the nation. Without their perseverance, dedication, leadership, and vision we would not be here enjoying and benefiting from their virtuous efforts.

The club would like to recognize the following individuals as Distinguished Members, whose names are etched into this plaque, which will always hang proudly in the presence of the club and its members.

Pat Korn

Rich Kopels

Kassie Greene

India Podsen

Carol Hoover

I want each of you to please personally thank these members for what they have done in establishing this club, and what it means to you.

Sincerely,

Chris Lynberg
